TRAINING 2

The Necco team gets a sense of what types of children the family is most equipped, interested and willing to work with.

3 STUDY

The home study portion gives Necco a better idea of your families' background, experience, motives, history and recommendations.

APPROVAL 4

Once a family is approved and open to accept children, they could receive a phone call within days.

5 RESIDENCY

If the child becomes eligible for adoption through the court system and the child has resided in your home for 6 months, your family will become eligible to finalize the adoption.

ADOPTION 6

After six months in a foster home, the court issues a decree of adoption. Your relationship as parent and child is permanently and legally established.
