

★ STEPS TO FOSTER IN GEORGIA ★

1 CONTACT

Your family contacts the local Necco office about becoming a foster parent. The Necco team will be there to provide information and answer any questions. With all the correct information provided, an invitation is sent for a foster parent orientation.

2 DEVELOP

The Necco team gets a sense of what types of children the family is most equipped and willing to work with. Parenting meetings and a home study will follow.

3 HOME STUDY

The home study portion gives Necco a better idea of your families' background, experience, motives, history and recommendations.

4 APPROVAL

Upon completion of parenting meetings, home study, and gathering supporting documentation, your family is approved and ready to be a foster home.

5 FOSTER

Congratulations! Your family could receive a phone call within days to accept your first child!
